

YS/YG/YVi

YAMAHA SMT ASSEMBLY SYSTEM
Evolving "MONO-ZUKURI",
Your best partner

YS SERIES

Next generation intelligent modular

Compact High-Speed Modular **YS12**

High-Speed General-purpose Modular **YS100**

Multi-Functional Wide-Range Modular **YS88**

YG SERIES

+α Module type mounting system with high accuracy

Solder-paste Printer

Universal High-Reliable High-Precision High-Speed solder-paste Printer **YGP**

Popular edition High-Speed High-Precision Compact solder-paste Printer **YCP**

Modular Ultra-High-Speed Chip Shooter **YG300**

Chip Shooter

Large size PCB spec! Modular High-Precision High-Speed Chip shooter **YG200L**

Modular High-Precision High-Speed Chip shooter **YG200**

Mounter

Modular Universal High-Precision High-Speed Mounter **YG100RA/RB**

Modular Universal Ultra-High-Precision Multi-Functional Mounter **YG88R**

Compact High-Speed Modular (Pneumatic feeder edition) **YG12**

Popular-edition High-Speed High-Precision Modular Mounter **YV100Xgp**

Modular High-Precision High-Speed Dispenser **YGD**

Dispenser

YVi SERIES

Inspection machines for product quality / SMT line condition

Inline AOI with X rays / LASER / Infrared / Visible rays for Post-reflow **YVi-X2H**

Large size PCB spec! Inline AOI with LASER / Infrared / Visible rays for Post-printing / Post-mounting / Post-reflow **YVi-LH**

Inline AOI with LASER / Infrared / Visible rays for Post-printing / Post-mounting / Post-reflow **YVi-MH**

Large size PCB spec! Desktop AOI with LASER / Infrared / Visible rays **YVi-DTL**

Desktop AOI with LASER / Infrared / Visible rays **YVi-DT**
